**Beer****Staff Favourites****Mikkeller, Tiger Baby**

DNK / 5.0% / £6.70

*This Pale Ale brewed with mangoes and passion fruit, is another homage from Mikkeller to music. This time, an ode to of course a Danish band! Enjoy!*

**Stone, Xocoveza**

USA / 8.1% / £7.00

*Layered with tiers of earthiness, spice and roast, this creamy, semi-sweet blue ribbon beer confirms that the spirit of US brewers is not only alive and kicking but thriving...*

**Brasserie Trois Dames, Forêt Noire**

SWZ / 7.0% / £9.00

*While dark and rich, this beer is also bright and tart. The addition of cherries lends fruity notes, and a mixed culture used for the fermentation brings funk. Crafted in a Swiss chalet, conditioned with brettanomyces.*
